**VILLAGE OF ROCKVILLE CENTRE  
29 PARKING FIELD LOCATIONS**

To improve the availability of parking, the Village of Rockville Centre seeks the cooperation of every business owner, employee, commuter, resident and shopper in observing these procedures:

- Purchase the proper parking permit at Village Hall: resident, employee, or overnight. No permit is required for shopping.
- Park only in lots and spaces designated for the appropriate permit during the correct hours.
- Do not use designated shopper spaces for other than shopping. Each space improperly occupied is a permanent loss of a shopper and visitor to our Village.
- Use the parking spaces properly. Feeding meters for extended parking is illegal.

**KEY:** S=Shopper R=Resident/Commuter E=Employee

Thank you for your cooperation.

With your help we can improve the parking environment for everyone.
